## FOOD SAFETY AND QUALITY POLICY

**BAGS & BALERS MANUFACTURERS (K) LIMITED** operates in accordance with this Food Safety and Quality Policy. This Policy is to guide the company to provide products and services that are safe and of quality that fully and consistently meet the initial and continuous needs and expectations of our customers.

We are committed to:

- Excellence in manufacturing as well as in all spheres of activities in the business we do.
- Produce safe and quality products right the first time and always.
- Continually innovate and improve at all times to better our products and services.
- Provide a fair and attractive economic return to our Shareholders.

To do so, we will:

- ❖ Implement and maintain a Food Safety and Quality Management System in accordance with ISO 22000 and ISO 9001 International Standards and continually improve its effectiveness,
- ❖ Identify, evaluate and control all potential food safety hazards within the defined scope,
- ❖ Ensure all staff are competent in their area of expertise through planned trainings.
- ❖ Incorporating the process approach and risk-based thinking principles in our work.
- ❖ Ensure effective communication to responsible parties on quality and food safety related issues.
- ❖ Conform to applicable statutory and regulatory requirements and mutually agreed food safety requirements for the intended use,
- ❖ Establish, review and update food safety and Quality objectives.

The Policy shall be communicated to relevant interested parties and understood within the organization. The BBML'S Management shall monitor and periodically review this policy to take into account changes in practice for continual improvement of the Food Safety and Quality Management System.
